Our Vision...

Our Vision is that Nat King Cole's unforgettable legacy insures that future generations are given the opportunity to learn and experience the joy of music in their lives. Nat King Cole Generation Hope, Inc. President's Society provides an opportunity to do just that.

PRESIDENT'S SOCIETY

A President's Society Gift of \$1,000 or more supports our work to provide music education to children with the greatest need and fewest resources. It funds programs in the community which provide instruction, mentoring and resources.

YOU WILL MAKE A DIFFERENCE

When you partner with us by joining the President's Society, you have an impact on the future of your community. Join by making an annual gift of \$1,000 or more. You'll receive a member pin, special recognition, invitations to special events, personal mailings from the President of Nat King Cole Generation Hope, Inc. and a listing in our Annual Report Honor Roll. (Of course we will also honor your preference to remain anonymous.)

**Donors whose past and current gifts and future written commitments total \$10,000 or more will be recognized on a cumulative basis in each year that they give a gift at the Member level or higher.*

"I would like to "Thank you" for your donation of Musical Instruments to our students at Plumosa School of the Arts. Words can not express the joy our students experienced as they were receiving the instruments. We will be forever grateful for our gift of music."

Pricilla Maloney, Principal

"Words can not express my extreme gratitude and humility for your efforts with making this a successful year for my students."

Glenn Eichelberger, Director of Bands
American Senior High

Brianna Clark wrapped her arms around the case holding a new alto saxophone and hugged it tight in the band room at Miami Northwestern Senior High. "This moment right here is everlasting to us. We're really thankful for it."
